UNIVERSITY OF DELHI

No. Econ./5-CC/2017-18/
12th May, 2017

The Faculty of Social Sciences at its meeting on 11 May 2017 approved the proposals of the Department's Committees of Courses for changes in the Economics papers of the BA (Hons and Prog). These changes are subject to approval by the Academic Council, but are being summarized here for colleges to plan their workload:

Honours:

1. Interchange the semesters of DSE courses on International Trade and Money and Financial Markets.
2. New DSE course on India in the World Economy to be offered in semester VI.

Clarification: the earlier decision to interchange Political Economy I and II (approved by the AC in July 2016) means that the course content under what was known as Political Economy I will now be taught under Political Economy II in the VIth semester, and the content of the erstwhile Political Economy II will now be labelled as Political Economy I to be taught in the Vth semester. Minutes of the teachers' meeting for the latter will be notified soon.

Programme:

The new GE courses and SEC course were approved. The list was already notified on 21st April and is available at <http://econdse.org/wp-content/uploads/2012/02/GE-SEC-Courses-for-CBCS-BA-B.Com-Prog..pdf>

Changes are to be implemented for students admitted under the CBCS from 2015 onwards.
