

No. Econ/Sem.Syllabus-1/2018-19/
13th August, 2018

Dear Colleagues,

Let me thank you for the enthusiastic participation in the collective meeting of all teachers on Friday, 3rd August 2018.

The minutes I had circulated had missed out an important point raised by you, relating to the status of the proposed SEC for semester vi. As you may recall I had briefed all of you that the faculty had cleared the proposal in its meeting on February 1. We are expecting that this should be cleared by the Academic Council whenever it meets. I had assured all of you that we will follow up with the authorities to include it in the agenda.

The meeting indicated a need to conduct regular course meetings. Since the semester has started and there is a paucity of time it was also suggested that we could instead do this in a grouped manner. Therefore I have created the following groups. Each Group except for that last has some Delhi School faculty as Moderators.

- A Micro (Both Hon & Prog) Professors Shreekant Gupta & Anirban Kar **Friday 24th August, 2018**
- B Macro (Both.Hon Prog) Professors Pami Dua & Mausumi Das **Wednesday 29th August, 2018**
- C Maths Stats & Econometrics Professors Rohini Somanathan,, Abhijit Banerjee & Sudhir Shah **Thursday 23 August, 2018**
- D Indian Economics (Both Hons and Prog) Professors Aditya Bhattacharjea & JV Meenakshi **Tuesday 21st August, 2018**
- E Skill Enhanced Courses (College Teachers) **Monday 20th August, 2018**

All meetings will be held at 2.30 pm in Room 104, First Floor, Department of Economics.

Each group will cover the papers in the broad theme indicated against the group. A listing of papers included is attached to this letter. This list excludes some of the DSE papers. This is due to paucity of time. They can be covered in the next cycle.

You may recall I had pointed out in the general body that paper wise meetings should not make any significant changes to the readings. But issues of better coordination or presentational issues can be highlighted. If the group feels that re balancing of a course is required then suggestions for future revision be initiated. Which is why each group has in its mandate both odd and even semester papers. Issues of re-balancing should look at both semesters together. But given the late timing of these meetings, they should be used only for the limited purpose of improving communication and developing a common understanding of the course.

In the Maths stats & Econometrics sequence there are only Hons papers. The group should also look at the Skill Enhancement Course of Data Analysis offered to Hons students to see if that can be suitably upgraded, given the fact that all Hon's Students come with class XII mathematics. However it should be noted that these changes will need AC approval and so will come into effect later.

Group A (Shreekant Gupta & Anirban Kar)

B.A. (Hons.) Economics

Semester I/III/V

1. Core Course 1 : Introductory Microeconomics
2. Core Course 5 : Intermediate Microeconomics-I
3. DSE Topics in Microeconomics-I

B.A. Economics

1. Core Economics I: Principles of Microeconomics–I

Semester II/IV/VI

1. Core Course 8 : Intermediate Microeconomics-II
2. DSE Topics in Microeconomics-II

B.A. Economics

1. Core Economics II: Principles of Microeconomics–II

Group B (Pami Dua & Mausumi Das)

B.A. (Hons.) Economics

Semester I/III/V

1. Core Course 6 : Intermediate Macroeconomics-I
2. DSE Money and Financial Markets

B.A. Economics

1. Core Economics III: Principles of Macroeconomics–I

Semester II/IV/VI

1. Core Course 3 : Introductory Macroeconomics
2. Core Course 9 : Intermediate Macroeconomics-II
3. DSE Financial Economics

B.A. Economics

1. Core Economics IV: Principles of Macroeconomics–II

Group C (Rohini Somanathan, Abhijit Banerjee & Sudhir Shah)

B.A. (Hons.) Economics

Semester I/III/V

1. Core Course 2 : Mathematical Methods for Economics-I
2. Core Course 7 : Statistical Methods for Economics
3. DSE Applied Econometrics

Semester II/IV/VI

1. Core Course 4 : Mathematical Methods for Economics-II
2. Core Course 10 : Introductory Econometrics

Group D (Aditya Bhattacharjea & J V Meenakshi)

B.A. (Hons.) Economics

Semester I/III/V

1. Core Course 11 : Indian Economy-I

B.A. Economics

1. DSE 1: Economic Development and Policy in India-I

Semester II/IV/VI

1. Core Course 13 : Indian Economy-II

B.A. Economics

1. DSE 3: Economic Development and Policy in India-II

Group E (College Teachers)

All Skill Enhancement Courses in Economics offered under Hons and Program Segments

Head of the Department
