

DEPARTMENT OF ECONOMICS  
**DELHI SCHOOL OF ECONOMICS**  
UNIVERSITY OF DELHI

No. Econ./5-CC/2017-18/  
14<sup>th</sup> November, 2017

**Minutes of Meeting of Committee of Courses and Studies for  
Honours, Post-graduate and Research Studies in Economics**

The Committee unanimously approved the following minor changes in the CBCS curriculum for B.A. Hons (Economics) by circulation to all members.

1. The name of the second year SEC paper (III semester) on Financial Economics may be changed to "Introductory Financial Economics" to avoid confusion with the Financial Economics paper of the same title offered in the third year as a DSE optional (VI semester) with far more content. This change may be made retrospectively for all students admitted to B.A. (Hons) from academic year 2015-16 onwards.

2. Colleges may be advised not to offer the dissertation option in lieu of a DSE course in the VI semester until the University issues guidelines to ensure consistency of evaluation across colleges and workload equivalence norms for teachers who supervise the dissertations. These issues may be taken up at the University level.
