

DEPARTMENT OF ECONOMICS
DELHI SCHOOL OF ECONOMICS
UNIVERSITY OF DELHI

No. Econ/Workload-30/2017-18/
3rd July, 2017

NOTICE ON NEW UNDERGRADUATE COURSES

(This clarifies / supersedes the earlier notice of 28 July 2017)

1. B.Com. (Hons) students who wish to take GE courses in Economics will have to take those offered by the Economics Department. Economics courses offered by the Commerce Department can be taken only by students of other departments. However, the following points are to be kept in mind:
 - Economics courses offered by the Commerce Department are to be taught only by teachers with M.A. and NET/PhD in Economics, whether they are affiliated to the Commerce or Economics Departments of their respective colleges. Preference may be given to permanent faculty affiliated to the Commerce Department, where available. All Economics courses (Honours or Programme) offered by the Economics Department, whether Core, DSE, GE or SEC, will be taught by teachers of the Economics Department.
 - Students of B.A. Economics (Hons) should be discouraged from taking GE Economics courses of the Commerce Department which duplicate the coverage of Economics (Hons) courses.
2. The course outlines circulated earlier mistakenly listed the SEC Course III on Data Analysis for B.A./B.Com. (P). As with all SEC courses, this course can be offered only to students of B.A. (P).
