Assessment:

Internal Evaluation: There will be two class tests of 10 marks each and 5 marks for attendance.

End Semester Exam: Students will be required to answer 5 questions (15 marks each) out of 7. There will be **one compulsory question** (15 marks) comprising short notes having internal choice which would cover the entire course. Students will also be required to answer 4 out of the remaining 7 questions (15 marks each). Each question may have parts from different units.

(Note: The Economics Surveys are to be used for reference and examples only; question will not be asked from these).
