

Annual India KLEMS workshop
Feb28, 2020
10.30-5.00PM
Centre for Development Economics

ATTN: Research scholars (M.Phil. and Ph.D.)

The India KLEMS research project aims at creating a database on measures of economic growth, productivity, employment creation, capital formation and technological change at the industry level for all sectors of Indian economy from 1980 onwards. The database provides an important input to policy evaluation, in particular for the assessment of the goals concerning competitiveness and economic growth of the Indian economy.

Those interested in attending the India KLEMS research workshop are required to register by sending an email at Indiaklems@econdse.org by Tuesday Feb 25, 2020.
