

# Winter School 2021

(Virtual Mode)

December 15-18

Department of Economics  
Delhi School of Economics  
University of Delhi

and

Centre for Development Economics

jointly with

The Econometric Society

## General Information

The School will be conducted in virtual mode. The organising committee has planned to share the links for attending sessions. All are requested to ensure secured networks and bandwidth for better streaming and interactions.

Altogether, there are twelve plenary lectures of one and half hours each and forty-eight parallel sessions. In each parallel session, the presenters will get maximum 20 minutes for presentation and 10 minutes discussion at the end. The presenter should not take more than 20 minutes for presenting papers so that an effective discussion can take place after the presentation. All presenters and registered participants are requested to attend the plenary, parallel and breakaway sessions as much as possible and to participate in effective and productive discussion. Q&A and chat boxes can be used for the discussion as well.
